

The 12th HITH Society Annual Scientific Meeting will be held at Crown Perth, Perth, 13 – 15 November 2019

The annual HITH Conference has become a cornerstone of the HITH calendar and is the HITH must attend event of the year. As done in previous years, the tradition of providing a quality conference, along with our social program will continue in 2019.

The International Keynote Speaker for HITH 2019 is Linda DeCherrie.

Dr. DeCherrie's professional passion is home based medical care. She studied at the University of Chicago for both undergraduate and medical school. Dr. DeCherrie completed her internal medicine residency at Boston University. She completed her fellowship in Geriatrics at the Icahn School of Medicine at Mount Sinai. She is the Clinical Director of Mount Sinai at Home, which is a service line at the Mount Sinai Health System that includes multiple home based programs including the Mount Sinai Visiting Doctors Program, Hospitalization at Home and Rehabilitation at Home programs.

Call For Abstracts Now Open

The Call for Abstracts is now open and the Committee are keen to receive submissions focused on the theme of **Education, Research, Allied Health, Clinical Advancement, Quality & Safety**. Each of these themes will be addressed in the sessions through the Call for Abstracts and the invited speakers. For more information on the Call for Abstracts please visit the conference website. Abstract submission closes on 26 July 2019.
